## Career Objective

Eager to become part of a dynamic team and apply my technical expertise in an entry-level software development role. Committed to continuous learning and delivering high-quality, efficient and reliable software solutions with a strong interest in exploring the fields of artificial intelligence and machine learning.

## Education

**Indian Institute of Management and Commerce**, Bachelor of Science October 2022 - July 2025

- CGPA: 8.81
- **Coursework:** Computer Science, Mathematics, and Statistics

**Sri Gayatri Junior College** June 2020 - May 2022

- Score: 869/1000
- **Coursework:** MPC (Mathematics, Physics and Chemistry)

## Technical Skills

**Programming Languages:** Python, JavaScript, Java, SQL, C++ , HTML5, CSS3  
**AI & ML :** Artificial Intelligence, Machine Learning, Pandas, Generative AI, Prompt Engineering  
**Frameworks & Libraries:** Flask, React.js, Node.js, Express.js, Bootstrap, Pandas, Numpy  
**Databases, Tools & APIs::** MongoDB, SQLite, Git, GitHub, VS Code, REST API

## Projects

**CareerPath AI – Intelligent Career Roadmap Generator** Live Demo | GitHub  
June 2025

- Built an AI-driven platform that transforms resumes or job titles into personalized, step-by-step learning roadmaps. Integrated a dynamic task dashboard and a chat-based AI coach to guide users with real-time career insights.

**Personal Portfolio – Developer Showcase Site** Live Portfolio | GitHub  
June 2025

- Designed a sleek, React-based portfolio to reflect my professional journey, with persistent dark mode, responsive layout, and a seamless contact experience.

**Smart Healthcare – Full Stack Web Application** Video Demo | GitHub  
February 2025 – April 2025

- Built a real-time health web app with symptom checker, BMR-based calorie tracker, hospital locator, and secure login—designed for accessible self-care.

## Traits

- Passionate about building real-world tech solutions using AI and full-stack development
- Demonstrated leadership and effective team collaboration
- Highly adaptable with strong time management and problem-solving skills
- Clear and confident communicator with strong written and verbal proficiency

Certifications

---

• Postman API Fundamentals Student Expert [Certificate]	June 2025
• Simplilearn   SkillUp – Introduction to Cloud Computing [Certificate]	May 2025
• An Inter-Collegiate Symposium on Artificial Intelligence & Machine Learning Presentation [Certificate]	March 2024
• Internshala Trainings – Programming in Python [Certificate]	April 2024
• Great Learning Academy – Project Management [Certificate]	July 2024

Awards & Recognitions

---

• Active Member of the National Service Scheme (NSS)	
• Served as the President of the Student Council at my College	
• Class Representative for Three Consecutive Academic Years	
• Coordinator of Multiple Intra-College Clubs and Activities
