## Career Objective

Eager to become part of a dynamic team and apply my technical expertise in an entry-level software development role. Committed to continuous learning and delivering high-quality, efficient and reliable software solutions with a strong interest in exploring the fields of artificial intelligence and machine learning.

## Education

|   |                          |
|---|--------------------------|
| <b>Indian Institute of Management and Commerce</b> , Bachelor of Science  | October 2022 - July 2025 |
| <ul style="list-style-type: none"><li>CGPA: 8.76</li><li><b>Coursework:</b> Computer Science, Mathematics, and Statistics</li></ul> |                          |
| <b>Sri Gayatri Junior College</b>   | June 2020 - May 2022     |
| <ul style="list-style-type: none"><li>Score: 869/1000</li><li><b>Coursework:</b> MPC (Mathematics, Physics and Chemistry)</li></ul> |                          |

## Technologies

**Languages:** Python, JavaScript, Java, C++ , SQL  
**Web Technologies:** HTML5, CSS3, React.js, Node.js, Express.js, Bootstrap CSS  
**Database:** SQLite  
**Tools & Platforms & Others:** Git, GitHub, VS Code, RestAPI, WebAPI

## Project

|  |  |
|--|--|
| <b>Smart Healthcare – Full Stack Web Application</b>   | Smart-Healthcare.com<br>February 2025 – April 2025 |
| <ul style="list-style-type: none"><li><b>Aim:</b> Developed a digital solution for simplified health management and real-time support.</li><li><b>Tech Stack:</b> React.js, Node.js, Express.js, SQLite, Bootstrap, Google Maps API</li><li><b>Description:</b> Developed a user-centric app offering symptom checking, calorie tracking with BMR logic, hospital locator, and secure authentication. Integrated dynamic UI with efficient backend handling and real-time user interaction.</li><li><b>Outcome:</b> Demonstrated end-to-end development skills and applied them to solve real-world healthcare accessibility issues using modern technologies.</li></ul> |  |

## Traits

- Demonstrated leadership and effective team collaboration
- Highly adaptable with strong time management and problem-solving skills
- Clear and confident communicator with strong written and verbal proficiency

## Certifications

|  |            |
|--|------------|
| • Simplilearn   SkillUp – Introduction to Cloud Computing [Certificate]                                  | May 2025   |
| • An Inter-Collegiate Symposium on Artificial Intelligence & Machine Learning Presentation [Certificate] | March 2024 |
| • Internshala Trainings – Programming in Python [Certificate]  | April 2024 |
| • Great Learning Academy – Project Management [Certificate]  | July 2024  |

## Awards & Recognitions

---

- Active Member of the National Service Scheme (NSS)
- Served as the President of the Student Council at my College
- Class Representative for Three Consecutive Academic Years
- Coordinator of Multiple Intra-College Clubs and Activities
