

CHALLA VENKATA RAVI KIRAN

Hyderabad, India | +91 9490595604 | Email | LinkedIn | GitHub | Portfolio

Profile Summary

Aspiring AI/ML engineer with knowledge of Python, SQL, Machine Learning and data analysis along with hands-on experience in academic and personal projects. Interested in building practical solutions and applying analytical and problem-solving skills to real-world challenges.

Technical Skills

Programming: Python

Libraries: NumPy, Pandas, Scikit-learn

Data Analysis & Visualization: Power BI, Excel, Tableau, Plotly

Databases: SQL (MySQL), MongoDB

Concepts: Machine Learning, Data Cleaning, EDA, Dashboarding, KPI Reporting

Tools & Platforms: Jupyter Notebook, Git, GitHub, VS Code, Streamlit

Internship Experience

AICTE – IBM SkillsBuild Virtual Internship

May 2026 – Present

Artificial Intelligence | Edunet Foundation

- Participated in a 6-week internship program focused on Artificial Intelligence concepts and applications.
- Worked on practical assignments involving problem-solving and AI-driven applications.

Projects

AI Data Insights Analyzer

May 2026

- Developed an AI-powered analytics platform to process CSV/Excel files with automated data cleaning, KPI tracking, predictive forecasting, and AI-generated insights.
- Implemented a flexible validation system supporting multiple dataset structures and deployed the application using Streamlit Cloud.
- Tech Stack: Python, Streamlit, Pandas, Plotly, Scikit-learn, OpenAI API
- Live Demo | GitHub

CareerPath AI - Intelligent Career Roadmap Generator

Jun 2025

- Developed an AI-based platform that analyzes resumes and generates personalized learning roadmaps.
- Integrated an AI chat assistant and dynamic task management features to improve user interaction and productivity.
- Tech Stack: Python, Flask, React.js, MongoDB
- Live Demo | GitHub

Education

A.V. College of Arts, Science & Commerce

Oct 2025 – Oct 2027

Master of Computer Applications (Pursuing)

Hyderabad, India

Indian Institute of Management and Commerce

Oct 2022 – Jul 2025

Bachelor of Science | CGPA: 8.81

Hyderabad, India

Certifications

Programming in Python | Apr 2024 | Certificate

Data Analytics using Power BI | Nov 2025 | Certificate

Data Analytics Essentials | Jun 2025 | Certificate

Introduction to Cloud Computing | May 2025 | Certificate

Leadership

- Led student initiatives and coordinated academic and extracurricular activities as President of the Student Council.
- Managed communication between students and faculty across multiple academic years.
- Organized campus events and participated in collaborative team-based activities.
