

CHALLA VENKATA RAVI KIRAN

Hyderabad, India | +91 9490595604 | Email | LinkedIn | GitHub | Portfolio

Profile Summary

Aspiring Data Analyst skilled in Excel, SQL, Power BI, Tableau, Python and data visualization with hands-on experience in analytics projects, dashboard development and data cleaning. Built projects using Pandas, Streamlit and Power BI to generate business insights and reporting solutions. Strong analytical and problem-solving skills with interest in data analytics and AI-driven applications.

Technical Skills

Programming: Python (NumPy, Pandas)
Data Analysis & Visualization: Power BI, Excel, Tableau
Databases: SQL (MySQL, MongoDB)
Concepts : Data Cleaning, Dashboarding, KPI Reporting, EDA
Tools & Platforms: Jupyter Notebook, Git, GitHub, VS Code

Internship Experience

AICTE – IBM SkillsBuild Virtual Internship

May 2026 – Present

Artificial Intelligence | Edunet Foundation

- Participated in a 6-week internship program focused on Artificial Intelligence concepts and applications.
- Worked on practical assignments involving problem-solving and AI-driven applications.

Projects

AI Data Insights Analyzer

May 2026

- Built an analytics platform processing CSV/Excel files with automated cleaning, KPI tracking, ML forecasting and AI-generated insights using OpenAI integration.
- Designed flexible validation system supporting any dataset structure with multi-encoding support and deployed on Streamlit Cloud with secure configuration.
- TechStack : Python, Streamlit, Pandas, Plotly, Scikit-learn, OpenAI API
- Live Demo | GitHub

Retail Sales & Profitability Analytics Dashboard

May 2026

- Built an interactive Excel dashboard using retail sales data to analyze sales trends, profitability and regional performance.
- Performed data cleaning, created KPI metrics and used pivot tables, pivot charts and slicers to generate business insights.
- TechStack : Microsoft Excel, Pivot Tables, Pivot Charts, Data Visualization, Data Cleaning, Business Analytics, Slicers
- Live Demo | GitHub

Education

A.V. College of Arts, Science & Commerce

Oct 2025 – Oct 2027

Master of Computer Applications (Pursuing)

Hyderabad, India

Indian Institute of Management and Commerce

Oct 2022 – Jul 2025

Bachelor of Science | CGPA: 8.81

Hyderabad, India

Certifications

Data Analytics using Power BI | Nov 2025 | Certificate
Data Analytics Essentials | Jun 2025 | Certificate
Programming in Python | Apr 2024 | Certificate
Introduction to Cloud Computing | May 2025 | Certificate

Leadership

- Led student initiatives and coordinated academic and extracurricular activities as President of the Student Council.
- Managed communication between students and faculty across multiple academic years.
- Organized campus events and participated in collaborative team-based activities.
